Reception Curriculum Letter

Dear Parents,

Welcome back after the Easter holidays! We hope you all had a great time with family and friends. Our topics this term are Journeys and Creepy Crawlies. Our key texts include 'We're Going on a Bear Hunt', 'Naughty Bus', 'The Train Ride', 'Aaaargh Spider!' and 'Yucky Worms'.

Your child will be exploring and learning all about; transport, journeys/travel, London/UK, people who help us, ocean life, numbers to 20 and beyond, adding and taking away, multiples of 2s, arranging shapes, change in seasons (spring to summer), growth and planting, bugs and insects, places of worship in R.E and the opportunity to work with a music teacher for some specialist music sessions.

Helping at Home

Thank you all so much for your support in helping your child to read at home. It really does make a huge difference when your child is getting the extra practise at home doing their letter sounds and reading their books.

Please keep going with their reading books each night and remember to leave a comment in their reading record (if they have one) so that we know how they are getting on at home. We are also on the look out for volunteers to listen to readers in school, maybe one afternoon a week. If this is something you would be interested in please speak to Mrs Summerill 😊

PE

Our P.E session this last term will remain on a Thursday Morning. Please remember to bring back their P.E kits that were sent home to be washed before the Easter holidays. An appropriate P.E kit would include; shorts or leggings, t-shirt, plimsoles or light trainers and socks if needed (more so if your child wears tights). We will continue to send kits home at the end of term to be washed.

In the know

- We are hoping to book another trip to visit the National Railway Museum in Shildon (Locomotion). Once organised a letter will be sent home informing of dates etc.
- Please remember to follow/like our Facebook page 'North Park Primary EYFS' for photos and updates on what your child is getting up to in school.
- Check our website for up to date information and more details around learning under the curriculum heading.

Thank you for your continued support,
Mrs Summerill, Mrs Burrell & Miss Emery
